Protest is democracy at work. For many Americans, public protest is sometimes the only meaningful avenue for democratic expression. Protests are not about violence. The recent tragic killing of officers in Brooklyn only threatens to undermine the legitimate message of tens of thousands of peaceful protesters.

Pro-democracy protests in opposition to Thailand's military have swept the country since July, and women are front and center in the fight. Protesters are demanding more say in the government after the military took control of Thailand in a 2014 coup and rewrote the constitution to maintain a hold over the 2019 elections, according to the Los Angeles Times.
