Top 10: The best Italian inventions The Local

The drink was invented by Luigi Bezzerra, who discovered a way to speedily produce a single shot espresso in just seconds. While the principle of pushing water and steam through a puck of coffee directly into a cup worked, the downside for the barista was that he would be scalded by the splash of piping hot water.

10 Italian Inventors that Changed the World | ITALY Magazine

The history of Champagne has seen the wine evolve from being a pale, pinkish still wine to the sparkling wine now associated with the region. The Romans were the first to plant vineyards in this area of northeast France, with the region being cultivated by at least the 5th century, possibly earlier. When Hugh Capet was crowned King of France in 987 at the cathedral of Reims, located in the heart of the region, he started a tradition that brought successive monarchs to the region—with the ...

History of Champagne - Wikipedia

James Crowden, author of Ciderland in a talk given at the Royal Society on 10 October 2008 entitled Sparkling Cider and the Evolution of the Méthode Champenoise said that sparkling cider was a well known product in the 1600s and between 1628 and 1632, Lord Scudamore (later to be appointed Charles 1st's ambassador to France) experimented with bottles, corks cordage etc and a new lock for the sydar [sic] house door.

Did the British invent Champagne? - Sparkling wine

Later, the myth would arise that sparkling wine was invented by Dom Perignon. Not true. Those myths came from a marketing campaign that ran around the early part of the 20th century for a Champagne company. Anyone want to guess what champagne the company produced? Yep, Dom Perignon. Dom Perignon did make improvements to sparkling wine.
