Equality law: discrimination explained
Discrimination And Human Rights The
The Human Rights Act makes it illegal
to discriminate on a wide range of
grounds including 'sex, race, colour,
language, religion, political or other
opinion, national or social origin,
association with a national minority,
property, birth or other status'.

Article 14: Protection from
discrimination | Equality and ...

The three types of discrimination The
Act consolidates existing law into a
single legal framework and while many
of the concepts of discrimination
remain the same as in previous
equality legislation there are some
areas that were not previously
covered.

What is discrimination? | Equality and
Human Rights Commission

It is against the law to discriminate against anyone because of their sex, religion, disability or certain other personal characteristics ('protected characteristics')

Discrimination: your rights - GOV.UK

This form of discrimination, where a person is viewed as not worthy of protection is a basic violation of human rights (Townsend, 2006). The sad truth is that gerontologists like us were not surprised when policy makers, who, under extreme pressure to make good on a situation for which they were ill-prepared, simply forgot about the hidden population of institutionalised older people.
