~~What is Family  
of Origin Work?  
| LoveAndLifeToo  
|Box~~

Family of origin refers to the significant caretakers and siblings that a person grows up with, or the first social group a person belongs to,

# Acces PDF Family Of Origin

Therapy And  
Diversity

which is often a person's biological family or an adoptive family. Our early experiences have a major influence on how we see ourselves, others and the world and how we cope and

# Acces PDF Family Of Origin

Therapy And  
Diversity  
function in our  
daily lives.

There are other  
contextual  
influences on  
our families and  
us as well,  
including  
culture, class,  
and other social  
and biological  
kinships.

~~Importance of~~

This should help the reader to understand that “family therapy” does not necessarily mean counseling sessions with the whole family present. Rather, “family therapy”

# Acces PDF Family Of Origin

is counseling based on a way of thinking that conceptualizes a reciprocity in functioning between family members.

Therefore, family therapy is most often a relationship between a family therapist and

# Acces PDF Family Of Origin

one member of a family who wants to change his/her level of functioning in the family.
