The purpose of this manual is to provide a basic reference for rescue training, and operations. It covers basic and general equipment, systems, and techniques, rather than any specialised skill, and should be used in planning, training, and operations. Rescue, by its very nature, is a high-risk activity. The Ministry of Civil Defence

GENERAL RULES FOR GOVERNING ROPE WORK . Rope rescue

equipment is used as a personal life support and for rescue operations.

Although the equipment is sturdy and can handle the stresses of a rescue operation, care must be taken during an operation and in storing the equipment. 1. Never walk on a rope. Stepping on a rope is a cardinal sin, usually calling for prompt and
