The average Google employee generates more than \$1.2 million in revenue each year. Yahoo currently produces just \$449,000 per employee, and Microsoft \$783,000. “This level of productivity has pushed Google stock into the stratosphere, with share prices recently topping \$1000—no small feat, given that Google only went public in August 2004 at a price of \$85”. Like everything at Google ...
