IMR - Pediatrics. The Andrew Weil Center for Integrative Medicine, in collaboration with leading experts in integrative medicine, has developed the first of its kind, on-line pediatric integrative medicine (PIM) curriculum designed specifically for the education of pediatric residents in training. This curriculum offers topics not typically included in conventional medical education such as nutrition, dietary supplements, mind-body medicine, environmental medicine, and more.

2020 Summit Registration - Integrative  
Pediatrics

We are Integrative Pediatrics and Medicine.  
Dr. Gator and Dr. Tiff believe in an  
integrative approach to healthcare. They work  
with a wide variety of specialists and  
holistic practitioners. The Western Medical  
model frequently does not provide ample time  
to fully explore issues such as nutrition and  
requires a more in-depth assessment and plan.

In this volume in the Weil Integrative Medicine Library series, the authors describe a rational and evidence-based approach to the integrative therapy of childhood disorders and well-child care, integrating the principles of alternative and complementary therapies into the principles and practice of conventional pediatrics. The authors examine what works and what doesn't and offer practical guidelines for physicians to incorporate integrative medicine into their practice and how to advise ...
