The Oxford Internet Institute, launched the Digital Ethics Lab ("DELab") in 2017, to tackle the ethical challenges posed by digital innovation. Ethics deeply affects the development of technology, science, politics, law, business, and, ultimately, every aspect of society.

OII | Digital Ethics Lab – Oxford Internet Institute

At the Digital Ethics Lab we tackle the ethical challenges posed by digital innovation. We help design a better information society: open, pluralistic, tolerant, equitable, and just. Led by Luciano Floridi, the OII's Professor of Philosophy and Ethics of Information, the DELab aims to identify the benefits and enhance the positive opportunities of digital innovation
