Invested in building 'the next generation of flagship Range Rover and Land Rover models' there. Still, removing all Defender production from the UK is a big deal. We first had a go at the new Defender in Namibia at the start of the year but now we've also had a tour of the new facility that has been busy minting the first new Defenders.

2008 saw Land Rover's 60th anniversary, for which a new series of special edition Defenders were produced. Branded the "SVX", three models were built. All were painted black with "satin" effect body graphics on the vehicles' sides and bonnet carrying the "60th" logo used throughout 2008 at various special events and on anniversary merchandise.
