Political history was, in effect, the history of the state. Most of these Victorian assumptions unravelled during the latter half of the 20th century. Even so, when many today speak of 'political history' they appear to imagine that it still just comprises the study of Westminster and Whitehall and of those men – and occasionally women – who have steered the ship of state.

## **Political History - Articles - Making History**

Political history is the narrative and survey of political events, ideas, movements, organs of government, voters, parties and leaders. It is interrelated to other fields of history, especially diplomatic history, as well as constitutional history and public
