Handbook of Bioethics and Religion

David E. Guinn Abstract. This book discusses the role of religion in a religiously pluralistic liberal society, namely the United States. Nowhere else in the public realm do the fundamental religious questions about the meaning and

principles to life's biological choices. It has played a meaningful role in the intersection of sports and the law. As technology and science advance, bioethics is poised to even more dramatically influence how the various participants in the world of sports interact with the boundaries of law. To that end, this
