Every SDS must provide a date of last revision in Section 16 – Other Information. You will know if an SDS has been updated by checking this date, and comparing it to the one on any previous SDS you have. Note that there is no requirement for the supplier to provide an updated SDS to past purchasers of a hazardous product.

WHMIS 2015 - Safety Data Sheet (SDS) : OSH Answers

The last section, section sixteen, contains information about the SDS itself, e.g., the revision date and changes since the last version. SDS Information for Employers Employers must ensure that employees have access to safety data sheets for all of the hazardous chemicals they handle. Employers may fulfill this requirement in a variety of ways.
