Everyone in the organization has a role to play. A servant leadership approach can be a powerful antidote to help combat staff burnout, disengagement, and turnover. The concept of servant leadership was popularized by Robert K. Greenleaf 3 who described a servant leader's mindset as one who views themselves as a servant. Greenleaf contends that servant leaders achieve results for their organizations by attending to the needs of those they serve.

I am passionate about servant leadership. It is the best model of leadership for the leader as well as those the leader serves. It offers an ethical, practical, and meaningful way to create a more just, caring, and sustainable world. That's because servant-leaders identify and meet the needs of others, rather than just trying to acquire power, wealth, and fame for themselves.

The Business Case for Servant Leadership. October 15, 2020 by rose. By Rose O. Sherman, EdD, RN, NEA-BC, FAAN. In nursing, much has been written about adopting transformational leadership principles but far less about servant leadership. Recent research findings published in JONA’s October issue by authors Anselmo-Witzel, Heitner & Dimitroff provide a strong business case for servant leadership if organizations want to retain Millennial and Generation Z nurses.

~~Servant Leadership Definition~~

A Servant Leader shares power, puts the needs of the employees first and helps people develop and perform as highly as possible. Servant leadership inverts the norm, which puts the customer service associates as a main priority. Instead of the people working to serve the leader, the leader exists to serve the people.
