Stillwater is based on Amanda Knox's story. She wishes someone had asked her to tell it. The new movie Stillwater stars Matt Damon as an American father trying to exonerate his daughter, who's been ...

Amanda Knox, in her own words  
The plants had been back up and running for just a week following a shutdown in July, which was also caused by the chip shortage. These production halts may not stop anytime soon. "I do think we'll ...

The chip shortage is getting worse  
Such xenophobia, stoked in part by the anti-China rhetoric of former President Donald Trump and GOP lawmakers at the beginning of the

pandemic, has already caused a lot of harm. For example, Trump's ...

Anti-China rhetoric can spur violence toward Asian Americans

The original Gossip Girl sold viewers a romantic fantasy — then proved the fantasy was always a lie. Every time I think about Gossip Girl — the glossy, aspirational, slightly wicked teen soap that ...

How Gossip Girl broke the fantasy of being the world's most special girl

The country has become a model for a rising kind of authoritarianism. So, of course, the American right's most popular cable host is embracing it.

Why it matters that Tucker Carlson is broadcasting from Hungary this week

A plant-based food system would be a

win for animals and the environment.  
How workers would fare is less clear.

What a meatless future could mean for  
farmers

Elegant Olympic dives fly by in a  
matter of seconds. Because of that,  
it's hard to know what to look for when  
you try to judge the sport from your  
couch. One thing that's easy to see,  
though? The ...

How Olympic divers make the perfect  
tiny splash

Even as the current surge of Covid-19  
in the United States surpasses those  
in the spring and summer of 2020,  
trailing only the devastating winter  
wave, it is being driven by a different  
mix of cases ...

Covid-19 cases now fall into 3 distinct

categories

As a reliable income evaporated for a significant contingent of Americans, you might assume national credit card debt increased as those in need leaned on the lifeline — but you'd be wrong. According ...

The surprisingly okay state of consumer debt

The first two installments of the five-episode miniseries, Countdown: Inspiration4 Mission to Space, will debut on the streaming platform September 6 and will be the closest Netflix has come yet to ...

Streaming space tourism is the new reality TV

Republicans have begun a legal process that could allow them to disenfranchise much of Atlanta. Late

last month, 27 Republican members of the Georgia state Senate sent an ominous letter to the state ...

Georgia Republicans didn't waste any time in using their new voter suppression law

There's just a lot of drama. This story is part of Down to Earth, a Vox reporting initiative on the science, politics, and economics of the biodiversity crisis. In 2017, an evolutionary biologist ...

Biodiversity is more controversial than you might think

If you're flying out of Singapore Changi, which aviation survey and research group Skytrax ranks as the world's best airport, you can spend time before your flight in the airport's tropical ...

Congress wants to make going to the airport less miserable

In its opening titles, in cheeky medieval lettering, *The Green Knight* proclaims itself "A filmed adaptation of the chivalric romance by Anonymous." That romance is commonly known as *Sir Gawain* ...

*The Green Knight* is glorious and a little baffling. Let's untangle it. Rep. Cori Bush (D-MO) and others spent the night outside the Capitol to call for an extension of the federal eviction moratorium on July 31, 2021. Joshua Roberts/Getty Images It's August 1, and ...

Federal eviction protections have ended, leaving renters scrambling  
When she woke up from surgery,

Kayla Malveaux found herself alone in the clinic recovery room, slumped over in a wheelchair. She felt sharp pain around her face and swollen eyes, but she wasn't ...

The \$5,000 quest for the perfect butt  
If you've ever read a privacy policy, you may have noticed a section that says something about how your data will be shared with law enforcement, which means if the police demand it and have the ...

Here's how police can get your data — even if you aren't suspected of a crime

Competitors race in the men's 10,000 m final at the 2020 Olympic Games on July 30, 2021, in Tokyo. Richard Heathcote/Getty Images The Olympics are a bad deal for host cities. And

they're ...

Hosting the Olympics comes at a massive cost

Three years ago, amid negotiations over immigration reform, then-President Donald Trump infamously questioned why the US was taking in immigrants from "shithole countries." He was referring to ...

These immigrants have one shot to come to the US. But Biden has to act. The delta variant of the coronavirus is here. It's scary. It seems to spread more easily than any of the variants we've seen so far. It's quickly becoming the dominant strain of the virus ...
