Klargester BioFicient Commercial  
Sewage Treatment Plant. The  
Kingspan BioFicient aerated treatment  
system is designed with efficiency in  
mind. It offers reliable performance  
using tried and tested technology to  
ensure consistently high effluent  
quality with a bespoke solution  
available up to 1000PE.

## ~~Commercial Sewage Treatment Plants~~ ~~| Kingspan | Great Britain~~

Sewage treatment is the process of  
removing contaminants from municipal  
wastewater, containing mainly  
household sewage plus some  
industrial wastewater. Physical,  
chemical, and biological processes are  
used to remove contaminants and  
produce treated wastewater (or treated  
effluent) that is safe enough for
