Yucky Worms is a story about a little boy learning about worms in his grandmother's garden.

Initially, a worm his grandmother finds disgusts the boy, but when given all the fascinating facts about worms and their impact on the environment, the little boy embraces worms as his "friends".

Delicately illustrated by Jessica Ahlberg, *Yucky worms* is an informative story told by a gardening grandmother to her inquisitive grandson. Perhaps many of us have reacted to worms in the garden as yucky, disgusting, slimy or dirty (which they can be) but without them, as you will discover in the story, we would not have the fertile soil that we need to grow fruits, flowers and vegetables.
